Web Support – Student Portal <https://students.twu.ca>

All students at TWU have a TWUPass username and password. This is determined at the time of an online application or can be managed through the computing services help desk or the link on the student portal. Your student email account is also available through this student portal and is vital for communication about grades, account statements, lost passwords, sign-up instructions, etc. If you do not know your account or password, there is a link at the login area called “I forgot my password.” When you click on that link, you will be walked through the process of retrieving your account information.

Campus Closure

In the event of deteriorating weather conditions or other emergency situations, every effort will be made to communicate information regarding the cancellation of classes to the following radio stations CKNW (980 AM), CKWX (1130 AM), STAR FM (107.1 FM), PRAISE (106.5 FM) and KARI (550 AM). As well, an announcement will be placed on the University’s campus

closure notification message box (604.513.2147) and on the front page of the University's website (<http://www.twu.ca> – also see <http://www.twu.ca/conditions> for more details).

An initial announcement regarding the status of the campus and cancellation of classes is made at 6:00 AM and covers all classes beginning before 1:00PM. A second announcement is made at 11:00AM that covers all classes which begin between 1:00PM and 5:00PM. A third announcement is made at 3:00PM and covers those classes which begin after 5:00PM.

Paper Formatting

Students need to adhere to Turabian Notes (Bibliography) format except for in counselling courses, for which APA format is used and for CanIL courses.

Students are strongly encouraged to use RefWorks (available through the library home page www.twu.ca/library) as their bibliographical manager and as a tool for formatting bibliographies. They will need to be aware of the need to “clean up” most bibliographies generated by this program. Students are encouraged to view the documents on the following websites for format samples: http://www.press.uchicago.edu/books/turabian/turabian_citationguide.html or www.dianahacker.com/resdoc/. Note that in RefWorks the available formatting styles are those of Turabian (Notes), 7th edition, and APA – American Psychological Association, 6th edition. For Turabian, note that there are two formats – Notes (or Bibliography Style) and Reference List (a short format citation style). ACTS uses the Notes (Bibliography) format, not Reference List.

Counselling students are expected to purchase the APA Publications Manual. More information found at the following website. <http://www.apastyle.org/pubmanual.html>.

For free online programs that will enable you to create properly formatted bibliography citations, go to <http://www.calvin.edu/library/knightcite/> ("Chicago stands for "Turabian") or <http://www.sourceaid.com/citationbuilder/>

CANIL students can locate this on the CANIL intranet, under the “student” side. A hard copy is given to incoming students in the fall.

Please check with your professor to see which one he/she recommends you use!!

Course Evaluations

Course evaluations are an important aspect of improving teaching outcomes and for students and faculty professional development. Therefore, completion of course evaluations are considered a course expectation. Professors will schedule time to fill out the online course evaluation (20-30 minutes) during their last scheduled class of the semester, for students to complete on their personal laptop or a collegium computer. Students who are absent or otherwise unable to complete the online course evaluation in the last class, will be expected to make every effort to do so by the last day of exams. Information about how to access online evaluation forms will be provided to the faculty and students prior to the last week of classes by the ACTS Administration.

Research Ethics

Please note that all research projects involving human participants undertaken by members of the TWU university community (including projects done by ACTS students to satisfy course or degree requirements) MUST be approved by the Trinity Western University Research Ethics Board. Information and forms may be found at <http://www.twu.ca/research/research/research-ethics/default.html>

Those needing additional clarification may contact the ACTS Academic Dean's office. Please allow at least three (3) weeks from the date of submission for a review of the application.

Academic Integrity and Avoiding Plagiarism at TWU

As Christian scholars pursuing higher education, academic integrity is a core value of the entire TWU community. Students are invited into this scholarly culture and required to abide by the principles of sound academic scholarship at TWU. This includes, but is not limited to, avoiding all forms of plagiarism and cheating in scholarly work. TWU has a strict policy on plagiarism (see academic calendar 2008-09, pp. 37-38). Further details on this subject are contained in the ACTS Student Handbook in section 4.12. The handbook is available online on the ACTS webpage (www.acts.twu.ca) at the following link: <http://acts.twu.ca/community/student-handbook-2011-12.pdf>.

Learning what constitutes plagiarism and avoiding it is the student's responsibility. An excellent resource describing plagiarism and how to avoid it has been prepared by TWU Librarian William Badke and is freely available for download (PPT file) or used as flash (self-running) tutorials of varying lengths from:

<http://acts.twu.ca/library/plagiarism.ppt> <http://acts.twu.ca/library/Plagiarism.swf> (14 minute flash tutorial) http://acts.twu.ca/library/Plagiarism_Short.swf (8 minute flash tutorial)

Equity of Access

It is the responsibility of a student with a learning disability to inform the ACTS Director of Student Life of that fact before the beginning of a course so that necessary arrangements may be made to facilitate the student's learning experience. We are unable to accommodate any student who informs the Director of Student Life of a disability after the beginning of class.
